**INCREMENTAL PANORAMA VILLAGE FRANCHISE FEE RECOVERY RIDER  
(MUNICIPAL RATE SCHEDULE)**

---

**I. PURPOSE**

This Incremental Panorama Village Franchise Fee Recovery Rider ("Rider FFPV") defines the procedure by which Entergy Texas, Inc. ("Company") shall implement rates for recovery of incremental Franchise Fee costs paid to the City of Panorama Village. The purpose of this Rider is to provide a mechanism for recovery of incremental franchise fee costs not included in the Company's last general rate case proceeding.

**II. APPLICABILITY**

This rider is applicable to all electric service rendered by Company to all retail customers whose consuming facilities' points of delivery are located within the City Limits of Panorama Village, Texas, under all retail rate schedules, whether metered or unmetered, subject to the jurisdiction of the PUCT.

**III. INCREMENTAL FRANCHISE FEE RATE**

The rate associated with this Surcharge Tariff shall be \$0.0093760 for every kilowatt-hour billed by the Company to its retail customers inside the city limits of Panorama Village.

**IV. TERM**

This Rider FFPV shall remain in effect until it expires or ceases under the terms of the Franchise Agreement entered into contemporaneously with this Tariff or until it is modified or superseded by a subsequent franchise agreement with the City of Panorama Village.
